

Season Ticket Order Forms

CROSS PLAINS FOOTBALL

**FORMS & PAYMENT DUE BY THE
END OF THE SCHOOL DAY
WEDNESDAY, AUGUST 26.**

Due to COVID-19 restrictions, CPISD and District 8AA will be adjusting the way districts handle admission for the 2020 football season.

All football stadiums will operate at 50% capacity.

The district will be offering season tickets for \$30. The district will offer tickets to parents and guardians of Friday night participants first.

While you do not have to order a season ticket to attend games, season ticket holders will get first draw on road game tickets.

If you choose not to buy a season ticket, you will purchase tickets on a week by week basis.

Please be aware that you will not receive an actual season ticket, but your name will be put on a will-call list. As you enter the stadium, gatekeepers will have a master list and they will mark you off the list as you enter the gate. The goal of CPISD and District 8AA is to limit the exchange of tickets and money as much as possible.

Season Tickets will be \$30 for 8 games.

Each participant will be allowed 2 tickets, MAX.

Please fill out the form below.
